

Dress Code

We have developed a dress code and tack code which will be strictly enforced and must be strictly adhered to.

To begin, all horses must be in good condition, good health, and sound. All tack must be appropriate for the performance and must be clean and in good repair. Remember, you are representing the best of your breed and the tack must demonstrate this.

All performers are to be neat, clean, and attire is to be appropriate for performances. All performers must be dressed in long sleeve shirts, long pants, boots, and hats, unless the appropriate attire for the particular breed differs from those specifications and represents the costume of the particular breed.

Unacceptable Dress:

- Shorts
- Tank Tops
- Spaghetti Straps
- Tennis Shoes

We reserve the right to excuse horses which are obviously not in good health or not sound and riders that are in inappropriate attire. If you have any questions please see Nancy Easton in the Barn Office or call her at (209) 484-1580.

We are excited you will be joining us and look forward to another spectacular Horse Expo!!
